

## THE INDUSTRY'S BEST SOLUTION TO ROCK JAMS IN GRIZZLY BARS & PUNCH PLATES.

- Flexible spring tines *eliminate 100% of rock jams* and provide *100% clear passing material* even with sticky clay.
- Works in Heavy Duty Scalping Screens in lieu of multi-row solid fixed OEM Grizzly Bars or in Medium Duty Screens directly over the top deck media, *doubling productivity*.
- Field tested *without failure* for hundreds of hours.
- Grizzly Spring Fingers are *designed specifically* for all makes of Vibratory Grizzly Feeders and Screening Applications.
- Unique *patented* device out-performs every competitor, even imitators - trust *only* the original Grizzly Spring Fingers!

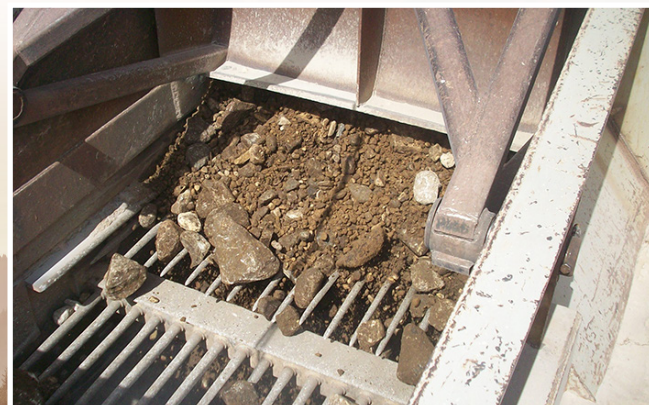

*Currently Seeking US and International Dealer Reps and OEM Manufacturers for Partnership.*

## *Eliminate Plugged Grizzly Bars*

**PLUGGED BARS ARE A SAFETY HAZARD AND CREATE LOST PRODUCTIVITY.**

**GRIZZLY SPRING FINGERS ARE DESIGNED SPECIFICALLY FOR EACH MACHINE AND BUILT TO INSTALL EASILY IN ALL MAKES OF VIBRATORY GRIZZLY FEEDERS AND SCREENING APPLICATIONS.**
